Hollandia 300 power spoiler sunroofs offer quality and innovation for any vehicle, adding sporty styling and open air freedom. Because of its innovative design, the new Hollandia 300 provides an extremely large opening for even the smallest car or truck. One touch of a button, makes operating your sunroof quick, easy, and safe to use – even at night.

Hollandia 300 spoiler sunroofs offer safety features such as auto-close and an automatic retract function, that keeps the sunroof from closing on objects. Hollandia 300 sunroofs all come with protective Venus® glass that assists in shielding the sun's heat and UV rays. See how the spoiler with sporty style makes the sky come alive.
