Specialty Sunroofs - Folding Fabric

The Hollandia 400 Power Fabric Folding sunroof is as close as you can get to a convertible. This dynamic folding fabric sunroof lets you and your car stand out in a crowd. Electrically operated, the Hollandia 400 can be opened at the touch of a button to any desired position. Go ahead. Open your Hollandia 400 to a fabulous view, and make the sky come alive. The Hollandia 400 is now equipped with Structure Plus. Structure Plus is designed to ensure proper function and strength in all approved Webasto sunroof installations. The additional structure and specific design make Webasto sunroofs with Structure Plus the strongest aftermarket sunroofs in Webasto's portfolio.
